PROFESSIONAL SUMMARY

BBA graduate (Marketing) with hands-on experience in **business operations, e-commerce management, vendor coordination and analytics**. Founder of **Vatsom**, a premium edible and aromatic oils brand, where I lead product sourcing, business strategy, website operations and go-to-market execution. Strong analytical foundation in **Excel, SQL, Python (Pandas) and data analysis**, with a core strategic focus on **procurement, supply chain management, supplier evaluation and operational scaling**.

PROFESSIONAL EXPERIENCE

FOUNDER — 2026 – PRESENT

Vatsom — Premium Botanical Atelier (vatsom.in)

- **Brand & Sourcing Leadership:** Founded and launched Vatsom; directed product strategy, raw botanical sourcing, supplier evaluation and premium market positioning.
- **Digital Infrastructure & Operations:** Architected and launched full-stack production commerce infrastructure on Cloudflare Workers & PostgreSQL with COD order sealing, stock reservation, and administrative control.
- **Supply Chain & Expansion:** Managing marketplace onboarding, packaging vendor coordination, and cold-pressed botanical procurement channels.
- **Business Intelligence:** Built KPI tracking models and order monitoring dashboards to optimize unit economics, margins, and fulfillment latency.

PROPRIETOR — 2026 – PRESENT

Pratham Enterprises

- **Supplier Coordination:** Directing multi-vendor negotiations, material procurement, and contract coordination across business operations.

HEAD OF MARKETING TEAM — JUN 2024 – SEP 2024

Mission Jagriti (NGO)

- **Outreach & Campaigns:** Spearheaded awareness campaigns, marketing strategy, and synchronized volunteer outreach initiatives.

KEY PROJECTS

VATSOM PRODUCTION COMMERCE PLATFORM — 2026

Independent System Architecture

- **Vatsom E-Commerce Engine:** Deployed production platform featuring role-based authorization, idempotent COD checkout, race-condition stock locking, and automated notification dispatch.
- **Chancery Admin Ledger:** Developed central management dashboard for inventory batch adjustments, courier AWB tracking integration, and audit logging.

LEADERSHIP & ENTREPRENEURSHIP

ENTREPRENEURSHIP CELL (E-CELL) — 2023 – 2026

University of Petroleum and Energy Studies (UPES)

- **E-Cell UPES:** Participated in venture evaluation, early-stage investor pitching sessions, and analyzed scalable supply chain models of emerging startups.
